From

GEN. & REV. SECTT. 17. JUL. 1926 G. D. SECTION.

To

C. Ranganatha Rao Saheb, Esq., B.A., B.L.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Revenue Department.

Sir,

I have the honor to state that the Deputy Commissioner -- Kolar District reported in his letter No.R.C.C.290 of 25-26 dated 3rd September 1925 that S. No.81 wet 3-19 A-G assessed at Rs.12/- under the Gampalkere tank, Marinalli village, Sidlaghatta Taluk - and in the Khate of the Sri Venugopalaswamy temple at Sidlaghatta was reserved for the institution at the time of the restoration of the Gampalkere tank out of the village Gomal land which was phoded and disposed of by darkhast, that this land being situated far off from the tank bund does not get water and consequently - lies fallow from a long time, that to open an irrigation channel would cost hundreds of rupees and that in the circumstances the land might be disposed of by auction and the realisations credited to the funds of the institution. The Deputy Commissioner's -- recommendation to sell away the land by public auction and credit the proceeds to the temple funds was accordingly sanctioned in this office order D_1 Dis.159 of 25-26 dated 10th March 1926. The Deputy Commissioner now reports that, in view of the wet --- assessment on the land being very high, no body comes forward - to bid for the land and recommends that the land may be converted into dry and dry assessment imposed instead of wet ~~assessment~~ so that the sale of the land may be rendered easy in the interests - of the Institution.

In these circumstances I request that sanction of Government may be kindly obtained for the levy of dry assessment on the land.

The enclosures received with the Deputy Commissioner's Letter No.O.C.2723 of 25-26 dated 11th June 1926 (copy of which is herein enclosed) are herewith submitted for kind reference.

I have the honor to be,

S i r,

Your most obedient servant,

C.S.Balasundaramayya

Muzrai Commissioner.

"With reference to your order No.D1 Dis.159/25-26 dated - the 10th March 1926, regarding the disposal by sale of Survey No. 81 under Gampalakere tank, Marinalli village Sidlaghatta Tank I have the honor to forward herewith the correspondence ending with the Chikballapur Sub Division Officer s report No.R.C.C. 1426/25-26 dated 2-6-1926, for favour of perusal.

2. It will be seen from the Amildar's report that the land was advertised for sale by public auction but no bids were ---- offered, as the wet assessment on the land is very high and it is not possible to make this land irrigable by the tank in --- question. The Amildar states that it may be possible to dispose of this land if the land is converted into dry and the dry assessment is imposed, instead of wet assessment.

3. In these circumstances I request that orders of Government may be obtained for converting the land into dry and for dry -- assessment being imposed on the land, so that its disposal by - sale or otherwise may be rendered easy in the interests of the Institution.

It is reported that Survey No. 81, wet, 3 acres 19 guntas, assessed at Rs. 12/- under the Gampalkere tank, Marihalli, Sidlaghatta Taluk and in the khate of the Sri Venugopalaswami Temple at Sidlaghatta, was reserved for the institution at the time of the restoration of the Gampalkere Tank, out of the village gomal land, which was phoded and disposed of by darkhast, that this land, being situated far off from the tank bund, does not get water and is, consequently, lying fallow from a long time, that it would cost hundreds of rupees to open an irrigation channel, and that, in the circumstances, the land might be disposed of by auction, and the realisations credited to the funds of the institution. The Deputy Commissioner's recommendation to sell ~~auction~~ the land by public auction and credit the proceeds to the

the temple funds was sanctioned by the Muzrai Commissioner on the 10th March 1926. The Deputy Commissioner now reports that in view of the wet assessment on the land being very high, nobody comes forward to bid for the land, and recommends that the land may be converted into dry, and dry assessment imposed, instead of wet, so that the sale of the land may be rendered easy in the interests of the institution.

The Muzrai Commissioner agrees with the Deputy Commissioner and requests sanction of Government for the levy of dry assessment on the land in question.

In these circumstances, Government are pleased to sanction the recommendation and direct that the land be converted into dry and dry assessment imposed.

The land may be retained in the khata of the inam unless no one comes forward to enetrain the land even at dry rates
